

Graber Post Buildings Energy Star Certification

Graber Post Buildings is pleased to announce the addition of our eligible *Energy Star* metal colors.

Certification

Graber Post Buildings, INC certifies that the metal roof colors listed are "Eligible Colors" that qualify for the tax credit allowance through the *Energy Star* Program.

Qualifying Applications

- * The original use of the panel commences with the taxpayer
- * Panels are installed on the roof of the taxpayer's principal residence
- * The residence is owned and used by the taxpayer at time of installation
- * The residence is located inside the United States
- * Slope greater than 2/12 pitch

For More Information

Please visit the Energy Star website tax credit Information Page:

http://www.energystar.gov/index/cfm?c=products.pr_tax_credits

While we certify that these colors carry Energy Star classification, we cannot provide tax advice and suggest you contact your tax professional with any specific questions.
